

August 28, 2025 ZOOM Session!

The Am. Samoa Historical Records Advisory Board (ASHRAB) continues it's U.S. National Archives' NHPRC grant outreach and training project with a ZOOM to discuss the production of Finding Guides to American Samoa content found in archival collections and microfilms. This Zoom will also refine a draft listing of 125 historical documents/images for our project's online publication celebrating American Samoa's 125th year in light of the Nation's 250th Anniversary next year. And it will also elaborate on ASHRAB's goal to acquire and use PRESERVICA software for this project.

If you're interested in participating in this Zoom to learn more about ASHRAB, just send an email to American Samoa's Territorial Archivist at james.himphill@das.as.gov or call 684-699-6848.

Workshop will be limited to first 25 registrants.
